FX50

Ice Fishing Windbreak

Model: FX50

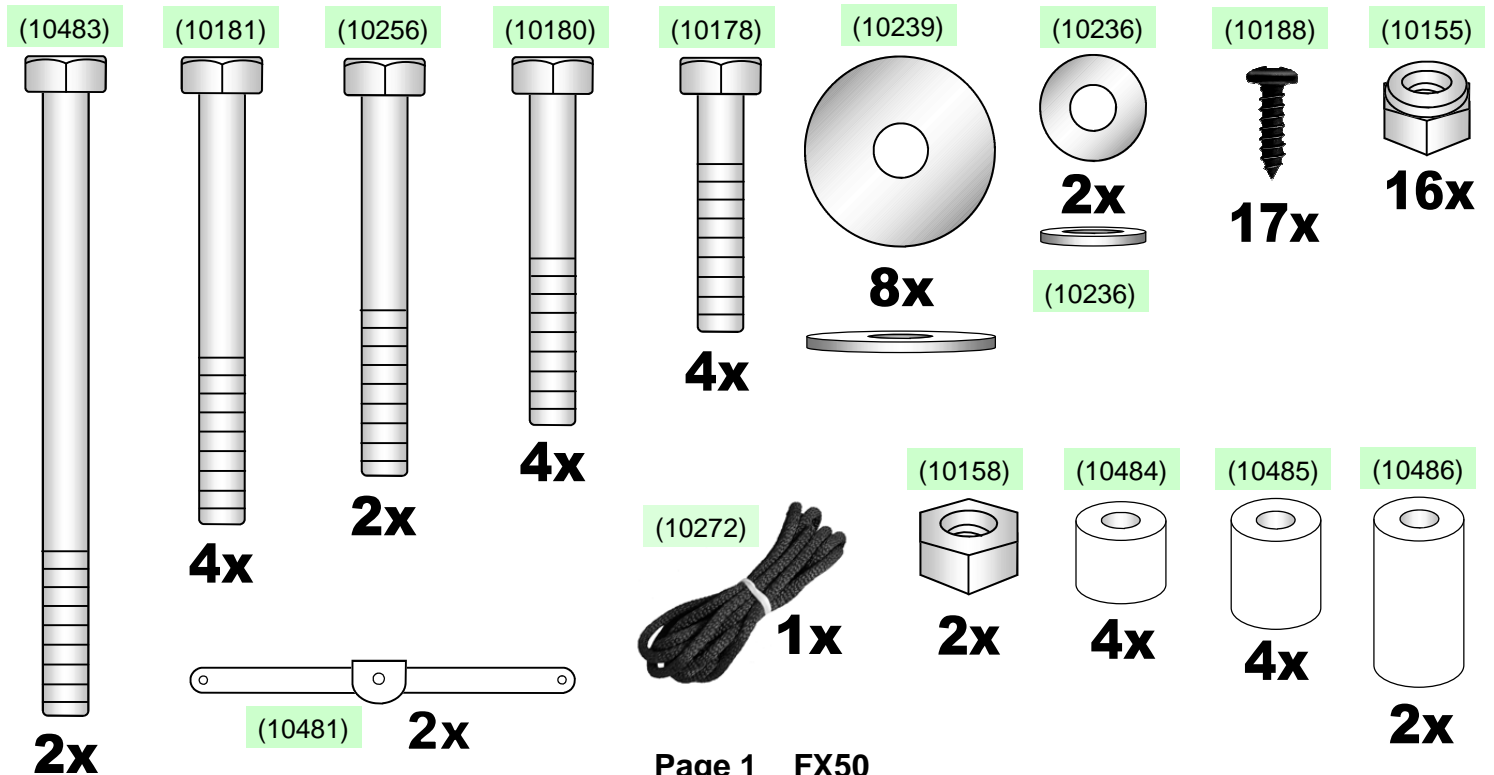

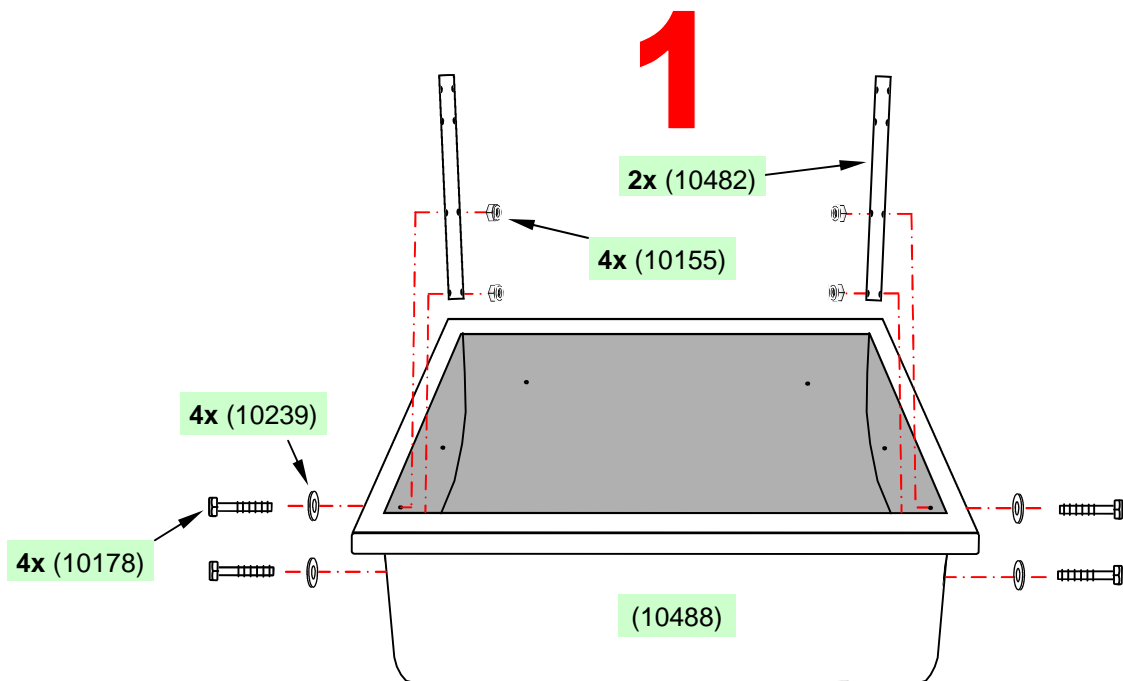

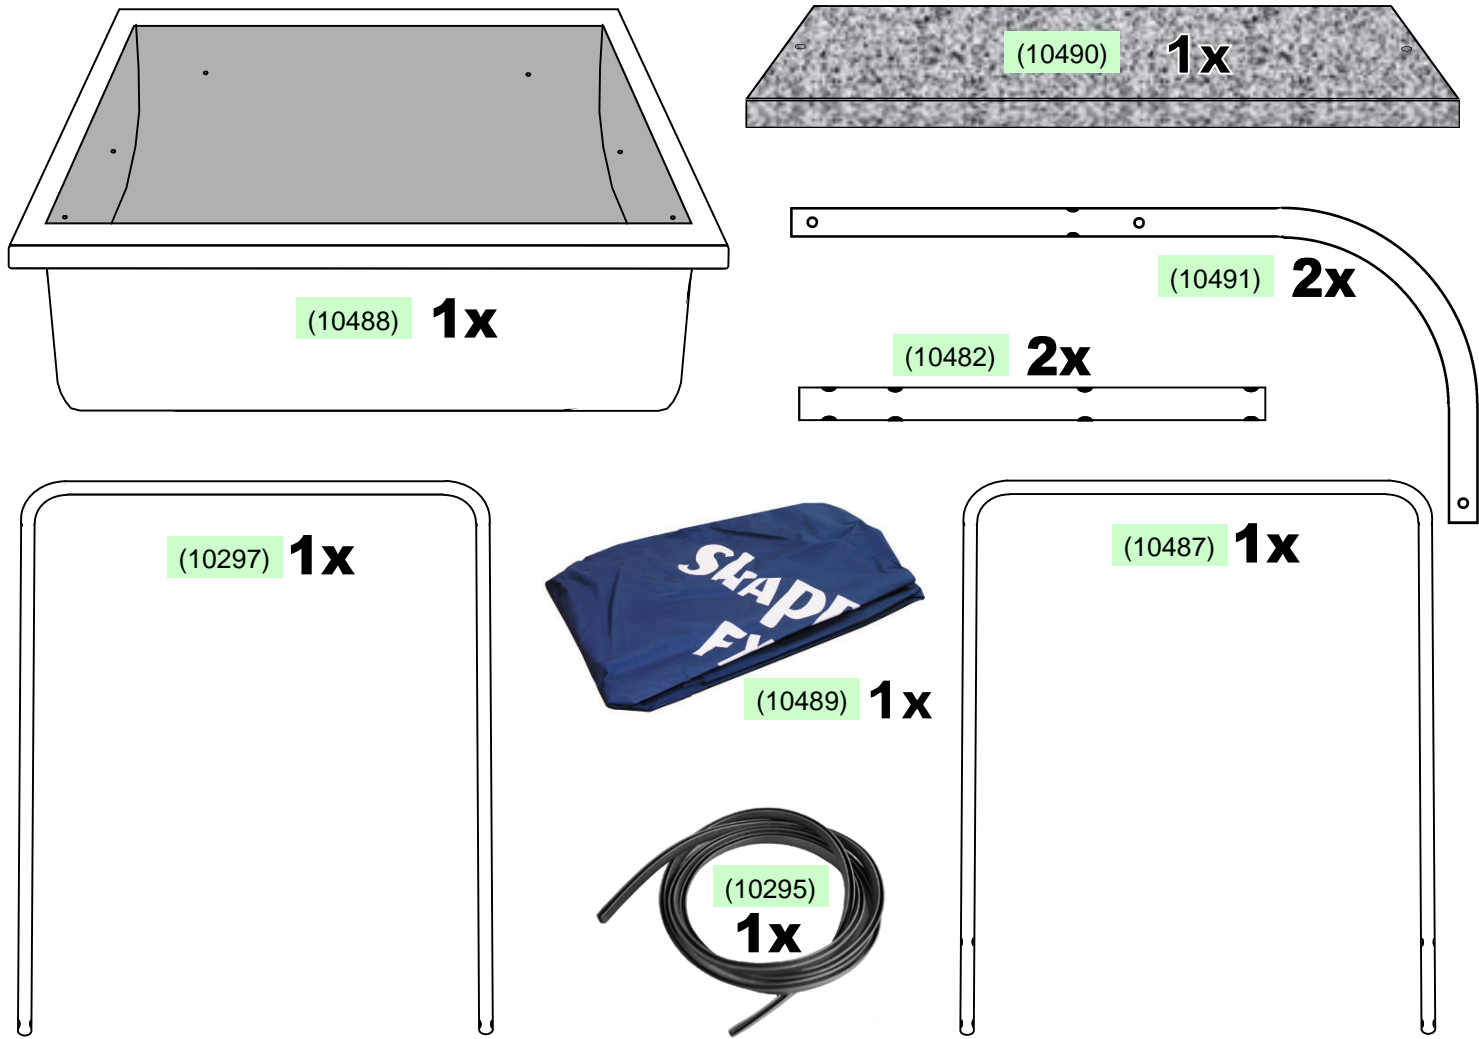

WARNING: Keep all Heat & Flame Sources away from the Windbreak Fabric Cover. The use of any heat source can be extremely dangerous, both for Fire Hazard and Carbon Monoxide Emissions. Do not use any type of Heat with this Windbreak. If Fabric is heated to it's melting point, it will burn.

Motorized towing of shelter long distances or at high speed is not recommended. Use Optional ATV Carrier Rack (#ATV-RK) for long distance travel.

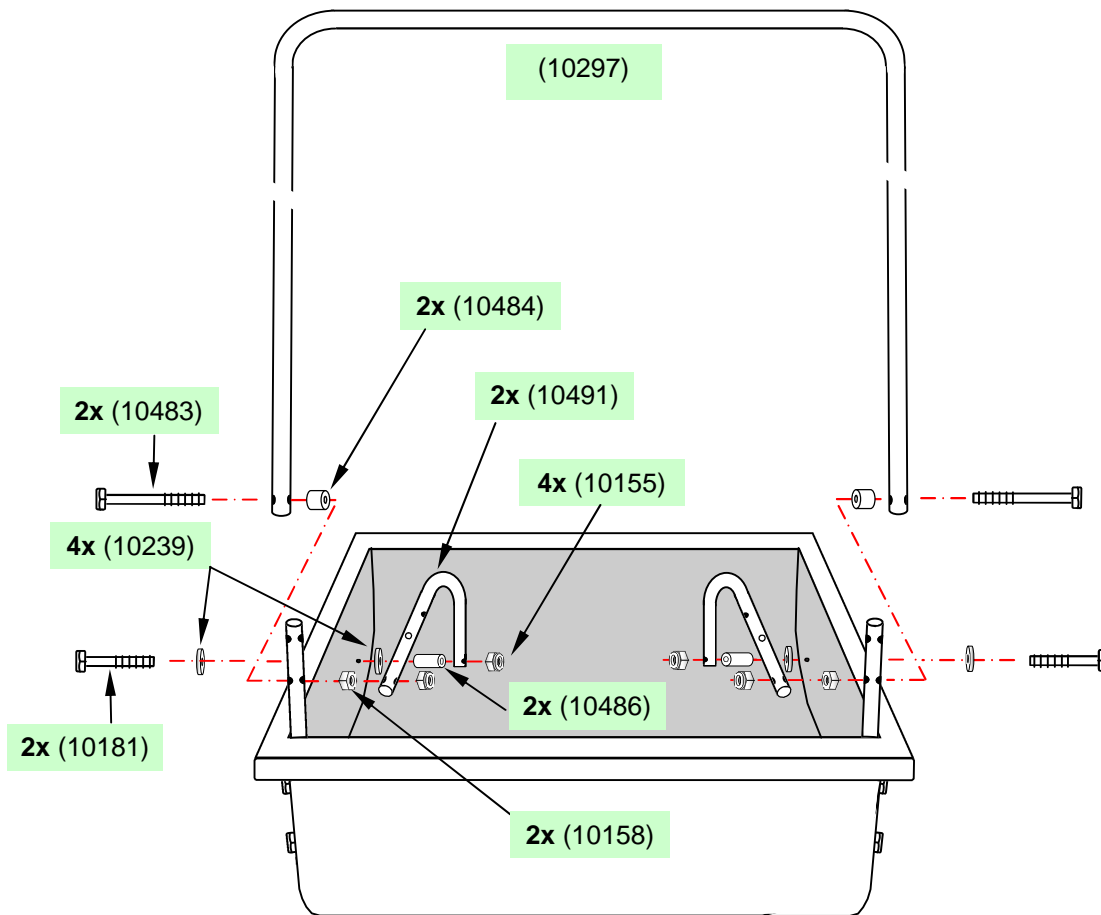

MAINTENANCE: After each use, set up shelter until fabric is completely dry. Never leave shelter folded closed with a wet cover.

NOTICE: It is normal for fabric to have some pinholes. This does not affect water repency.

Take Down Instructions.

Pull up on center of folding braces and rotate frames backward to sled.

Securing frames with a bungee cord or optional travel cover **#TC-10** will help prolong life of Windbreak.

Pulling any distance with a motorized vehicle or pulling on asphalt, concrete, dirt, etc., will cause premature wear of the sled base, Optional wear bar kit **#SWB1** is recommended.
